

Making the Move to Burleigh Manor Middle School

Welcome to Burleigh Manor Middle School! Making the move to middle school can bring both excitement and anxiety. To keep you informed and help your child make a smooth transition, we have planned several events. The first event is our Middle School Parent and Gifted and Talented Program orientations. Mark your calendar for these important events!

Middle School Parent Orientation: Monday, January 9, 2017 (Snow date – Wednesday, January 11, 2017)

Our Middle School Parent Orientation is the first important date that will help you make informed decisions about your child's sixth grade course selection. From **6:30 to 7:15 p.m.** in the school's cafeteria, we will share with you the middle school schedule and its course options, as well as what to expect during your child's middle school years. Paired with this orientation is the G/T Parent Orientation and it is open to all parents.

Burleigh Manor Middle School's Gifted and Talented Program Parent Orientation: Monday, January 9, 2017 (Snow date – Wednesday, January 11, 2017)

Once the sixth grade parent orientation is complete, you are invited to join Ms. Robyn Page, Gifted and Talented Resource Teacher at Burleigh Manor Middle School, from **7:15 - 8:00 p.m.** for an orientation to the middle school G/T program. Ms. Page will provide information on G/T content classes as well as the many G/T instructional seminars open to all students. All parents are welcome and encouraged to attend, even if your student is not presently participating in the G/T program.

Questions? Mrs. Propert can be reached at Laura_A_Propert@hcpss.org, and Ms. Page can be reached at Robyn_Page@hcpss.org. Both can be reached by phone at 410-313-2507.
